**Notes:**

- The above now outlines all scheduled Windsurfer/ Wing Foiling activities for the full summer season.
- The dates are mix of Saturday and Sunday options to remove clashes and other club commitments.
- **Scheduled Training Sessions;** very informal, just a catchup sail to get time on the water. A short Windward/leeward course will be set if conditions permit.
- Any further information please ring, text or email me

Cheers

Brenton Evans
